RESOLUTION TO TAKE AWAY APPROPRIATIONS FOR SMALL WORLD FESTIVAL

WHEREAS, the recent happenings at the 1989 Small World Festival included the advocacy of "tree spiking" (the act of nailing a metal spike into a tree to discourage logging); and,

WHEREAS, student monies were used to put on a festival which included the advocacy of an illegal activity, even after ASUM was assured that nothing of an illegal or questionably illegal nature would occur; and,

WHEREAS, this caused severe damage to ASUM's credibility in the state, and because of that, it is in ASUM's best interest to take the necessary steps to insure that nothing of this nature occurs again:

THEREFORE, be it resolved that:

1. Monies allocated to the Student Action Center for the 1990 Small World Festival for Fiscal Year 1989-1990, which are located in line-item 2102, be zeroed out. This would involve transferring \$500 from this line-item back to the ASUM General Fund.
2. All monies allocated to the Environmental Studies Advocates in all line-items for Fiscal Year 1989-1990 will be subject to the following restriction: No expenditures that are in any way related to the Small World Festival will be allowed. This will include speaker fees, postage and mailings related to the Small World Festival, long distance telephone charges, and any other monies used to arrange for any stage of the Small World Festival.

Each of the above changes will be enforced and monitored by the ASUM Business Manager and the ASUM Accountant.

RESOLUTION TO AMEND SECTION 4.83 OF PERSONNEL POLICY

WHEREAS, ASUM understands the necessity to maintain consistency and credibility especially in policy issues; and,

WHEREAS, During a legislative session, the ASUM lobbyist is the major voice for the students of the University of Montana; and,

WHEREAS, The duties and limitations of the lobbyist, as described in the ASUM Personnel Policy, are somewhat vague and allow for inconsistencies to occur;

THEREFORE be it resolved that section 4.83 of the ASUM Personnel Policy regarding the ASUM Legislative Lobbyist be amended between sentences two and three to read as follows:

The contractor shall be the only designated voice of the ASUM Senate. At no time during a legislative session shall any other party besides the ASUM Senate and administration voice the official opinion of the ASUM Senate through testimony or other means, unless otherwise agreed upon by the ASUM president, Student Legislative Action Director, and the contractor. Should another party be designated to give testimony, it shall be consistent with the official position of the ASUM Senate and shall be reviewed by the ASUM president, SLA Director and the contractor.
